Lexington, Ky.

Evolution of the God Idea

"The Evolution of the God Idea," by the late Grant Allen is one of the most remarkable books of the century. 63,000 copies have been printed and nearly all circulated by the "Rationalist Press Association" of London, in cheap form, and is now offered for 25 cents postpaid by the American Agent of the R. P. A.

NORMAN MURRAY,

246 St. James St. Montreal, Canada

BILL'S AVENUE makes you cheerful and thoughtful. It is a personal department in the **WHEEL OF LIFE** that grows on you. You find yourself waiting with interest for what "Bill" has to say next.

"AN AMERICAN MADONNA" is a serial running in the **WHEEL OF LIFE**. It is written by Mary Ives Todd, the ablest writer of Liberal fiction since Grant Allen, and is a beautiful presentation of the essentially modern problem of the Woman in Business.

THE WHEEL OF LIFE. A monthly periodical. It deals with ORIGINS, the origin of Marriage, of Ethics, of Religion, of Brotherhood, of the belief in Immortality. It treats broadly of Love, of Human Instincts and Ideals. It takes in the whole Wheel of Life, treating all subjects in such a clear, plain and spicy way that the dust is shaken out and they become as interesting as a novel to even the casual reader. Send 10 cents for a six months' trial subscription or a quarter for a year.

"CONFESSIONS OF A DRONE" by Joseph Medill Patterson, author of "A LITTLE BROTHER OF THE RICH," sent without extra charge with a 6 months' trial subscription to the **WHEEL OF LIFE**. Address
LIFE PUB. CO., Desk A, St. Louis, Mo.

THE AMERICAN JOURNAL OF

EUGENICS

Formerly Known as Lucifer the Light Bearer

The Pioneer Journal—in Modern Times — of an old and almost forgotten science, the most important of all sciences, a science successfully and openly taught and practiced by the ancient Greeks and Egyptians, but ignored, defeated, scorned by all modern nations,—viz: the Science of Right-Born, the Science of Good Generation.

The Century Dictionary thus defines Eugenics: "The doctrine of Progress, or Evolution, especially in the human race, through improved conditions in the relations of the sexes."

Its central thought is freedom of Motherhood, the Self-Ownership of Woman in the Realm of Sex and Reproduction—in-telligent and responsible Parenthood.

This much neglected, this tabooed, disgraced, and almost unknown science was named "Eugenics" by Francis Galton, a cousin of, and co-worker with, the great

Charles Darwin and now, both in England and in Continental Europe, is beginning to receive the attention its importance demands.

The American Journal of Eugenics is now in its 30th year of publication, sustained by a long list of able and well-known contributors, women and men of national and international reputation; it is now published bi-monthly—standard magazine size—at Los Angeles, Calif.; price, \$1 a year postpaid; single copy, 15c.

Trial subscribers will receive three back numbers, less than a year old, also a copy of the booklet, "Institutional Marriage," a lecture by the editor—all for 25c in stamps or coin. For sale by newsdealers, or sent postpaid by the editor and publisher, Moses Harman, with lists and prices of standard English and American Eugenic publications. Address 1319 Kel-lam Ave, Los Angeles, Calif.
